

# NIPPON EBE DUO

Nippon Ebe is a bench which is massive but floatingly airy making it a perfect fit also for public lobbys. Being exclusively representative and correctly modest at the same time Nippon Ebe is compatible with both modern architecture and historical space. It is the clear and simple perfection which makes Nippon Ebe so versatile.

Design by Sven Sörmus

# Nippon Ebe Duo

## FEATURES

Unpretentiously clean and minimalistic design.

Balanced shape with an extremely balanced and refined legs.

Its simplicity makes it suitable for both outdoor and indoor use.

A clever solution that hides all the fastening details and ensures pure surfaces.

The stainless steel metal construction is excellent for rust resistance and aesthetics.

EXTERY uncompromising quality - harmonious design, carefully selected materials and engineering considered to the last detail.

## WOOD

The wood selection includes double layer Osmo Natural Oil Woodstain coated thermo-treated ash, Siperian larch and tropical wood. Tropical wood is also available naturally, without surface top coating.

Thermo-treated ash OC-010

Tropical wood OC-425
